

Friday, July 31st 0900-1200

Microsoft Teams Remote Speed Learning Program!

- Due to current covid-19 restrictions, we are offering our program remotely via Microsoft Teams.
- You will be invited to the Teams site once you RSVP to the program.
- We will have 3 main topics presented by experts and will facilitate comments, questions, and answers after each session.

Program:

0800-0850: Welcome, Introductions, Annual Awards, Key Messages, and General Wellness Check based on recent events that have really taxed safety, security, and emergency management resources!- Facilitated by WSHSC President, Russell Sniders

0850-0900: Quick Break/Network

0900-0950: Department of Health Surveys- What the current game plan for licensure and complaint surveys? Tyler Henning, ScM, MHS Hospital Survey Manager Department of Health

0950-1000 Quick Break/Network
